Electrician

Ref: E1225

Location: Haddington

Hours: Full-time – 37.5 Hours per week

Salary: Electrician - £17.10 to £21.10 per hour

Advanced Electrician - £20.34 to £26.39 per hour

R3 Repairs is a busy - and growing - property repairs and maintenance company, we've been working in Edinburgh, Lothian and the Borders for almost 15 years, and are wholly owned by East Lothian Housing Association. We carry out work in social housing, private homes and for other businesses – that means there's lots of variety and the potential for every day to be different.

We carry out repairs to empty homes as well as day-to-day repairs to tenanted/occupied properties. We fit new kitchens and bathrooms, windows and doors. Customer service is key to us, so we make sure our customers receive a full service, including responding to emergencies out of hours.

We are looking for an approved electrician, qualified to the 18th Edition, with a valid ECS card and BS7671 Inspection and Testing. Working alongside trades team colleagues, your duties will include, reactive, day to day and planned work for the organisation and our clients. This includes work on domestic and commercial installations and day to day response repairs. You will also be required to participate in the provision of an out of hour's Standby service.

Applicants must have a full driving licence. A van and power tools will be provided.

If you enjoy working with people and believe excellent customer service should be the norm, you may be the ideal person for us.
